**To Whom It May Concern**

We would like to verify that Silver Oaks Schools, Rawalpindi has been our implementing partner for Nestlé Healthy Kids Programme in Pakistan, which is a Global initiative by Nestlé with the objective to raise Nutrition Awareness among School going children.

Nestlé extended its support with Teacher Trainings, Nestlé Healthy Kids Books and recently with the development of Nestlé Healthy Kids Room at the Civil Lines Campus.

We are sincerely grateful to the Management of Silver Oaks Schools for the successful and continuous implementation of Nestlé Healthy Kids Programme since the beginning of our partnership in 2013.

Throughout this time, the Silver Oaks Management has been very cooperative and supportive and ensured the continuity of the programme in their schools.

We sincerely believe that our partnership will continue in the future as both the partners believe in the importance of raising Nutrition awareness among children with Nestlé Healthy Kids.

We wish the Management the very best for their future endeavors.

Best regards,
