Dear Hassan,

I am writing this letter to confirm that the British Council has known Silver Oaks School since November 2013 and found Silver Oaks School to be one of the most instrumental school systems in Rawalpindi and Islamabad. The school has highly dedicated staff members who are not only passionate in teaching but also show great enthusiasm in learning new ways and strategies of teaching.

The Silver Oaks School was also our Implementing Partner from 10 March 2014 – 31 March 2015. The performance of Silver Oaks School under this contract was one of the best in the North region of the country. All the project activities were completed on time and targets were met. Silver Oaks School formed over 15 successful partnerships with schools from United Kingdom, Sri Lanka, India, Lebanon etc. Four teachers from Silver Oaks School visited their partner school in the UK and hosted an excellent exchange visit for teachers from St Albert's Primary School, 36 Maxwell Drive, Pollokshields, Glasgow, G41 5DU.

I thank Silver Oaks School for their hard work and commitment and wish them all the very best for future endeavours.

Thanks & Regards
